RETAIL COLLECTION 2015

Edito

«Our products come from a profound belief in environmental and social applications, which bring life to new questions : bringing people closer and long lasting sustainability. Our range DFC 2015 invites people to be convivial, it is simple, intuitive, respectful and accessible to all.»

Christian Duret
Managing Director

LA COLLECTION

PALM LEAF PLATE

VERTERRA

A palm leaf 100% bio-degradable which favours the look of any table.
Plates which are natural and elegant.

A range of Plate 100% ecological made of the finest material.

The Palm leaf :

Under a tropical sky, the palm leaf is used to create natural eating materials and has done so for generations. For this special collection we have used palm leaf from fallen tree and not cut, with a strong goal to maintain our environment. This principle assures a dining experience that is both natural, biodegradable, compostable, durable and ecological.

Terms and general Conditions of Sales

1. APPLICATION

All our sales are subject to these conditions except under written formal derogation from SOLIA. The present conditions are exclusively for customers located in EU countries excepted France but including Switzerland. For non EU countries, specific and adapted General Export Sales Conditions will be firmned between the two parts at the beginning of commercial collaboration.

2. TRANSPORT-DELIVERY

The delivery delays will be confirmed order by order according to availability of stocks and country of destination. The delivery delays are always indicative. Eventual extra delay due to unpredictable or uncontrollable event will not entitle the buyer to refuse delivery or to claim for any compensation or indemnities. All goods are carried at buyer's own risks.

3. PROPERTY

The seller will keep the whole property of the sold goods until complete payment of the amounts due. Any failure of any one of the payment terms due will entitle the seller to claim return of the goods. This reserve will not remove the transfer of responsibility of the goods to the buyer since reception at his own premises or at indicated delivery place. Since reception of the goods, the buyer will be entirely liable of risks of robberies, deterioration or eventual damages caused to third persons related to these goods.

4. PRICES (on separate document)

Prices are on Ex Works basis on the general price list.

Minimum order is 1000 € in any cases.

5. PAYMENT TERM

All orders, except specific conditions duly confirmed by written document are payable upon acceptation of the order by the seller and according to Proforma Invoice established for order acceptation. No discount for early payment is accepted. In case of non payment of part or full invoices at the due date, the full amount or the balance due, will be immediatly payable by full right. No prior formal notice or legal action will be necessary for this from SOLIA, and no prejudice made to clause N° 3. Interest charges will apply on the due amounts in favour of the seller. From the date of notice, and without prior action, an interest rate of three times the legal rate in France will be applied.

6. CLAIMS - GUARANTEE

Any formal claim would have to be notified to seller within 48 hours following reception of the goods at the delivery address indicated by buyer. The guarantee will not be applicable for claims: resulting from not appropriate use of the goods resulting from wrong handling of goods by buyer.

7. SETTLEMENT OF DISPUTE

In case of dispute, «Tribunal de Commerce de Perpignan» will be the only competent authority for arbitrating the eventual dispute between buyer and seller, whatever would be the nature of the dispute and the way of payment of the goods.
